“ **TOWARDS A JUST PEACE IN ISRAEL AND PALESTINE**  
Dear Mister President of the European Council, The European Union rightfully received the Nobel Prize for peace. We now ask the EU & its member states to commit themselves strongly to create a lasting and just peace that respects international law, brings security to Israel and ends the occupation of Palestine. The EU and its member states should: - Exert pressure on Israel to lift the blockade on Gaza, to allow the export and import of raw materials and finished products and to normalize mobility. - Demand that the recently announced construction of new Israeli settlements on the West Bank and in East Jerusalem be stopped. - Stop all direct and indirect support of illegal Israeli settlements. - Increase the support to Israeli and Palestinian peace efforts by providing financial and logistic aid for peace educating activities. We make a strong appeal to the EU to bring a just and enduring peace in the region.
